She did all of this without taking any contribution towards fuel even though she drove miles around the chase and all in great spirits whilst suffering with a bad back.</p>		

Trophy	For	3rd	2nd	1st
HELEN FARRALL MEMORIAL AWARD (Unsung Hero)	Presented by David and Sally Farrall and awarded to the Unsung Hero nominated by a Heart of England Group Member	<b>Steve Bates</b> Steve has contributed so much to the National rides for the group this year, all without recognition. He contributes so much of his time to both Cannock Chase and Cirencester giving up his free time. It isn't an understatement to say that Cannock Chase wouldn't run without him. He sorts out the route for us, marks and demarks (over the course of a week) and spends all ride day remarking due to the terrible vandalism. He and his partner also host the annual group BBQ event. Steve is the true definition of an unsung hero and really deserves this award.		
20/20 Award	Presented by Steve Bates and is Awarded to horses and ponies that have competed in 20 consecutive graded or competitive endurance rides and achieved a minimum of a completion in each of those rides. The 20 <sup>th</sup> ride must have been in the qualifying season.	William Bonnie  <i>(Steve Bates)</i>
